

JOB DESCRIPTIONS

Cashier

You'll greet customers with enthusiasm, enhancing a top-notch shopping experience. Orchestrating transactions and monitoring the checkout area, your problem-solving prowess and commitment to excellent customer service will guarantee satisfaction. Additionally, you'll understand product placement to answer customer questions and be ready to assist with tasks on the retail floor during slow periods at the front cash.

Retail Floor Associate

You'll be the joyful face within our store, and use your plant knowledge to offer exceptional assistance. Your role includes maintaining displays, restocking plants, and ensuring a fresh and vibrant store floor across our green goods and hard goods. As our plant whiz at the information desk, you'll provide plant wisdom and friendly assistance, using your merchandising skills to create an organized and welcoming environment.

Nursery Associate

You'll be the outdoor nursery guru, utilizing your expert plant knowledge and exceptional customer service to delight customers. You'll welcome customers with a "green" thumbs-up or providing guidance for their gardens and landscapes. Your organizational skills will maintain the outdoor garden center, keeping it tidy and stocked with the latest arrivals and promotions. Additionally, being able to lift 50lb and possessing knowledge of trees and shrubs will be valuable assets in this role.

Green Goods Stocker

As our Green Goods Stocker, you'll be quick on your feet and impeccably neat. Responsible for replenishing green goods, you play a crucial role in maintaining a tidy display. Your knowledge of green goods, including common and Latin names, enhances your ability to assist team members, ensuring efficiency. Additionally, your ability to work off an App-based stocking list and lift at least 30 lbs, pushing carts uphill will be assets we look for.
