let our experts help you

Our goal is to make the process of incorporating commercial planters into your business as seamless as possible. We understand that not all of our clients are experts in the field of plants and flowers, and that's where we come in. Our dedicated team is here to guide you every step of the way, from the initial consultation to the seasonal switchover. With Salisbury's Custom Planters, you can sit back, relax, and trust that your outdoor spaces are in good hands.

Here's How it Works:

- 1. Initial Consultation** – During the consultation, our team will work closely with your budget along with your brand's requirements and preferences to identify first concepts and the best pricing options—yes, our plans are flexible!
- 2. Arrangement and Setup** – Our team will finalize designs and arrangements that best fit your needs and work with you to schedule a timeline for delivery and installation. A maintenance package is included to ensure your planters stay looking their best with simple instructions.
- 3. Checking In** – Know that we are always here! We will reach out to you after the first week to answer any questions and address any concerns. And if you need any extra maintenance, just let us know and we'll schedule a visit to keep your plants thriving.
- 4. Seasonal Switchovers (*Optional*)** – If you're looking to switch up your arrangements to match the latest season, we've got you covered! Our team will work with you to choose the perfect designs for each season and make sure that the pickups and delivery dates fit into your schedule with ease.

stay trendy with seasonal switchovers

Enhance your outdoor spaces with seasonal appeal! Keeping up with seasonal changes not only makes your surroundings more visually appealing, but it also lifts the moods of everyone who walks by. Every season brings its own unique charm, from the vibrant blooms of spring to the cozy arrangements of the winter holidays.

Let our team of designers and experts help you make the transition to seasonal designs and showcase your brand in a way that celebrates the current season.
